Dear NC Dental Society Executive Committee:

I am honored to submit this letter of intent for appointment to the North Carolina American Dental Association Delegation. It is with great enthusiasm that I seek this opportunity to serve.

As a member and officer of the NCDS 2nd district, I have a deep appreciation of the critical role the NC Dental Society plays in shaping the landscape of dentistry and its far-reaching impact on patients, communities and fellow dental professionals on a local and national scale.

As a dedicated dental provider for more than twenty years, I have demonstrated my commitment to advancing oral health for children and patients with special needs. We oversee 120,000 patient visits every year with over 80,000 of these patients with Medicaid as their insurance. Further, my role as an officer in the 2nd District has also afforded additional leadership opportunities and facilitated my active involvement in organized dentistry.

As your delegate, I will continue my leadership efforts and support NC Dental Society's mission to sustain and improve the spectrum of oral health for the families of North Carolina and nationwide by maintaining a valued and effective dental profession. I will work diligently to represent the interests of my fellow dental professionals and continue to advocate for organized dentistry.

I am passionate about the opportunity to contribute and shape policies that uphold high standards of care and enable North Carolina to thrive in alignment with national advancement and overall best practices. I am excited to bring my experience, commitment and dedication to this role and continue working with my esteemed colleagues dedicating my time, talent and skills to build a strong network of leaders within NC Dental Society and its districts.

Sincerely,

Dr. David Thome
