

Elle,

Please consider this my formal application for one of the three Delegate at Large positions available for the NC-ADA Delegation. I have served as an alternate delegate for the past three years and have currently been asked to serve as an alternate delegate for the current ADA-HOD cycle. It's been one of the greatest honors of my life. I consider the friends I have made, the leadership and mentorship opportunities I have been given, and the memories I have shared to be invaluable parts of my brief career.

I feel that my extensive knowledge of parliamentary procedure as well as my recent and pertinent exposure to ADA politics both make me an ideal candidate. I have spent the past four years in Chicago on the New Dentist Committee, absorbing governance and leadership insight. Moreover, my service on the ADA Council on Ethics, Bylaws, and Judicial Affairs (both as a past member and currently a consultant) positions me well to craft resolution language, critically review bylaws, and provide sound counsel to the 16th District Delegation.

Please see my attached CV for additional information related to my educational and professional experience.

If any additional information is required, please feel free to reach out to me directly.

Warmest regards,

James
